Product Specification Sheet

Eco-Smart Traditional Laptop Case

Part #: SGRN050

Product Description:

Be inspired to make a difference. You can help by reducing your energy consumption - right now. Use energy efficient bulbs, set your computer to sleep or hibernate mode and car pool when possible. Turn out your lights when you leave the room and recycle paper, bottles and aluminum cans. Targus is committed to conserving and preserving the environment. We are dedicated in reducing the negative impact on natural resources and to helping the environment for future generations. Our Eco-Friendly cases are PVC free, durable and will last a long time, guaranteed.
